

# Welcome Back!

It is fantastic to see you all again in person.

We are all excited and looking forward to the year ahead.

# Your morning routine

Our morning routine has changed. When you first come to school you will:

- Come in the gate on your own. Parents and carers will wave goodbye to you at the gate. If you come on the bus one of the teachers will meet you.
- Go straight to your classroom door. Your teacher will greet you.
- Wash your hands when you enter the classroom – remember to wash them for 20 seconds!
- Keep all of your belongings at your desk, including your coat.

# What you need to bring with you...

- A water bottle filled with fresh water – this needs to go home each day to be washed.
- A snack for both the morning break and the HWB break in the afternoon (if you wish).
- A jacket to make sure you are prepared for any type of weather.

**Please do not bring a pencil case with you. Your teacher has a nice new stationery pack to give you! This will be kept in your tray.**

# Uniform

Like before you need to come to school in your full school uniform.

This includes:

- A polo shirt
- A school jumper
- Trousers, a skirt or shorts
- A jacket
- Appropriate shoes

# P.E

On P.E days, you will come to school wearing your P.E kit.

You will need to wear plain shorts/joggers, a plain t-shirt, school jumper and appropriate trainers.

You may bring a spare t-shirt, a polo shirt if possible, to change into after P.E.

Remember to dress for any type of weather as P.E will be outside as much as possible.

# Playtimes

During playtimes and lunchtimes your class will be given an area in the playground. You need to stay within this area.

Your teacher will explain all of this to you, show you where to go and help you to understand.

**Pitch and Slide**

**Entrance and Flower**

**Woods and Fake Grass**

# Lunches

At the moment you will eat your lunch in the classroom.

There will be cold lunch options for the moment.

You can bring your own packed lunch if you wish.

Leslie will come safely to the classroom for you to order and pay for your lunch.

After you have eaten lunch, you will go to your zone for that day to play.

# Toilets

You will still share toilet pods with your neighbouring classroom.

Inside each pod, there will be a sign showing which toilet and sink your class should use.

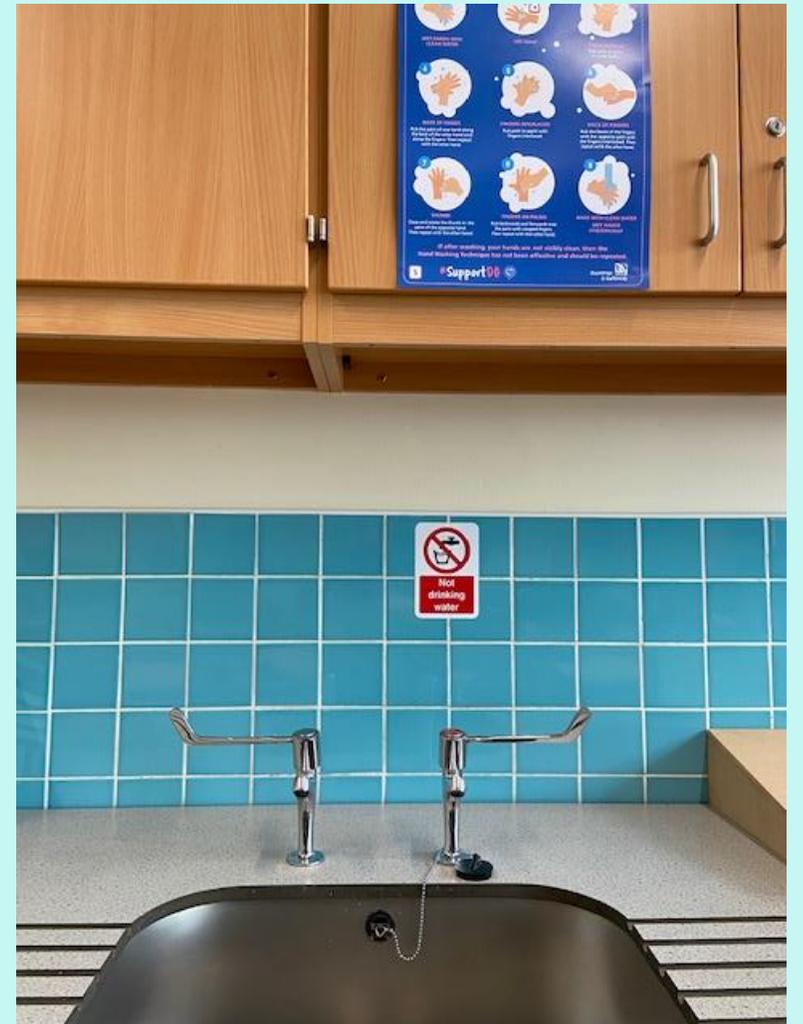

# Handwashing

We need to make sure we wash our hands often.

Remember to wash your hands for 20 seconds.

Your teacher will tell you when you need to wash your hands.

# End of Day Routine

After you have been told you can leave, you exit the playground through the usual gate. Please go straight to the exit.

Your parents/carers will collect you outside the school gate, or walk home if this is your normal routine.

If you get the school bus, you will be instructed by your teacher to walk down the corridor to the primary office. Where you will be asked to stand by the sign for your class.
