

Wallace Hall

2-18 Parent Council

Dear Parent/Carer

At the Parent Council meeting on 7th May, it was felt that all parents/carers should be contacted about Road Safety.

Concern had been raised about the safety of pupils walking to school where the pavements are narrow and vehicles, particularly large vehicles (buses and lorries), often pass very close to the kerb and therefore pupils and other family members walking alongside.

If you have seen anything that has given you cause for concern on your journey to school or your child's journey to school please notify the school or if the incident relates to school buses, the School Transport Assistants, Lindsay Heron (Tel. 01387 260383) or Daniella Alexander (Tel. 01387 260115), noting the bus company, route number, name on front, place, day and time.

Road safety is of course something we take extremely seriously and both the Parent Council and the School would like to know if there are road safety issues that need to be addressed on the journey to and from school. By notifying the Transport Assistants, or the school, you can help to build an accurate picture of these important road safety matters, so please do get in touch with the school/Transport Assistants if you have seen anything that gives you cause for concern.

On a different matter, the Parent Council are hoping to form a secondary school fundraising sub-group and we are looking for volunteers to help plan future fundraising events and projects. If you could spare some time and would like to help, please either come to our next meeting in August/September (dates to be fixed) or contact us through the school or website: the parent council email is wallacehallparentcouncil@gmail.com thank you.

Kind regards,

Wallace Hall 2-18 Parent Council
