

UPDATE

Dumfries and Galloway Youth Guarantee

If you were preparing to leave school but don't yet have a job, course or training planned get in touch with your local Employability and Skills Key worker or Skills Development Scotland Careers Advisor for advice and information.

Options:

Online and telephone advice and guidance from Skills Development Scotland Careers Advisors about how to plan your next steps.

If eligible you can sign up to an online Youth Guarantee Programme with the Employability and Skills team to help you develop skills and prepare for a job, apprenticeship or training course

Check the local DGTAP website for local online training, jobs and apprenticeship opportunities and links to colleges and further education.

Call for more information on what to do next:
