

## Thank You

Six years at Wallace Hall! And what an eventful Six years they were. A MASSIVE thanks to ALL the teachers throughout the years that have not only provided us with a *stellar* education but shaped us into the people we are today. You influence our choices, opinions and actions a lot more than you may think. We have shared many memories throughout the years with activities in with and out side the school, we hope you will remember these as fondly as we will.

Good luck to pupils and staff alike in their future endeavours and adventures!

# Mrs Menzies

Mrs Menzies is always there for all the pupils of Wallace Hall Academy. Whether it is giving advice, encouraging us to do as best we can, celebrating our successes or supporting us in everything we do Mrs Menzies will always put other people first before herself. The amount of effort, kindness and attention she gives to all of the pupils is something to look up to, I'm sure we can speak on behalf of the whole school when we say you are a true HERO to us all. Thanks so much.
