Dear Parent/Carer

We are continually adding new information and links to useful websites to our school website (<https://www.wallacehall.co.uk/>) and the school Facebook page (<https://www.facebook.com/WallaceHallAcademy/>) for parents/carers. Please check the websites regularly.

The Primary Home Learning website (<https://whplearning.wordpress.com/>) will be updated by Monday morning. We hope that you are finding the learning resources on the website useful. Please remember that there is no expectation for how much work your child will complete. The activities are suggestions, and the amount of 'set activities' that your child has a go at needs to be the right amount for them, and for you. Enjoying spending time together as a family doing all sorts of different things from arts and crafts to cooking to jobs around the house, and getting used to being at home more are the priorities for just now as we all adjust to the changes to normal life needed to keep everyone safe.

Here is the school management rota until Easter:
