---

Dear Parent/Carer

We don't intend to send you a daily update over the weekend unless we receive very important information that needs to be passed on to you. We would appreciate it if you could email our school email address (as above) with photos of your child(ren) carrying out tasks at home, whether provided by the school or any creative ideas you have come up with yourselves. In doing so you would agree to these photos being shared on social media and on our school website.

S4-S6 pupils and parents can find an SQA Q&A document on our school website. We hope that by answering these questions we can support and reassure pupils and parents. If you have questions that are not answered within this document, please email us.

If you do not have computer/internet access which is sufficient to allow your child(ren) to complete school work at home, we can arrange for a hard copy of a study pack for them which can either be collected from the school office or we can arrange delivery to your home if you are self-isolating. Please contact us by email at any time or by phone to the school office between 9am-3pm Mon-Fri.

We are continually updating our school website with links and documents and will try to keep you updated as we do that. However, we do not want to overload parents with social media posts and will try to limit them to one a day.

### Wallace Hall Academy Learning Hub

The Wallace Hall Academy Learning Hub for BGE is continually being updated by departments and we hope to give you notice of new work through our social media platforms. Currently, there has been new tasks uploaded from Modern Studies, History, Geography, ICT, Music, Science, Home Economics, PE, English and Maths and as well as that, all work will remain on the site throughout so that pupils can go back and access it.

We have also made it easier to navigate between individual subjects within curricular areas. As shown in the picture below, there is now hyperlinks added to the top of each page to hopefully make it a little easier to find the work for the correct subject.

# Technologies

The tasks listed below have been designed to be completed by learners who are working from home. Below the title of each task there is an indication of which learners the task is suitable for.

This section will feature tasks from Design & Technology, Design & Manufacture, Graphic Communication, Admin, Business Management and ICT. Click the subject to go there:

[– Design & Technology](#)  
[– Business, Admin & ICT](#)

Additionally you can access the subjects at the bottom of the page: D&T Subjects can be found on Page 1, ICT Subjects on Page 2, these can be selected at the bottom of the page.

## Design & Technology

Here is the school management rota for next week:

	<b>Monday</b>	<b>Tuesday</b>	<b>Wednesday</b>	<b>Thursday</b>	<b>Friday</b>
<b>w/c 30/03/20 Lead</b>	A Meredith	K Bryden	S McDiarmid	R Fulton	B Graham
<b>Reserve</b>	K Bryden	R Fulton	J Blair	B Graham	J Carter

Managers can be contacted via the school office between 9am-3pm. However, we would like to encourage everyone to contact us via the school email addresses, as above, as a first option. These will be monitored throughout the day.
