

10p Trail

Wallace Hall Academy,
Primary & ELC

"Together we grow, learn and achieve"

**We are asking pupils from P1-P7
to start collecting 10p coins.**

**A collection jar will be in each classroom from 27th April, the
coins will be counted weekly and the class who have collected
the most that week will receive **extra playtime.****

**On Friday 18th June, House Captains alongside members of
Parent Council will be helping all classes to make a trail of 10p
coins as far as we can along the school path.**

House points will be up for grabs on this day!!

All money raised will be used for class resources in 2021/2022.
