Dear Parent/Carer

We are pleased to let you know that Wallace Hall will remain open as a Community Hub over the Easter holidays and will continue to provide Free School Meals to families who qualify. We hope that this news gives some peace of mind to those of you who are key workers and require childcare. Our staff are providing a varied and fun programme for those children who are attending.

When the original remote learning plan for Senior Phase pupils was put in place we were using Microsoft Teams to communicate with pupils as we continued to support them towards their upcoming SQA exams. As there will no longer be SQA exams or coursework to complete we are planning for what the Senior Phase learning provision will now look like. If your child is currently in S3, S4 or S5 and planning on returning to school they will have filled out an options form. Mr Blair is currently working with these option choices to determine what the school timetable will look like for next session. Once we have a better idea what this may look like we plan on engaging with Senior Phase pupils and getting them started on the courses they will study next session. We are yet to establish when this will happen or how it will look but felt it pertinent to keep you informed of our plans.

Here is the school management rota until Easter is:
