

UCAS – SEARCHING FOR SUBJECTS AND QUALIFICATIONS

Key in the Web Address – www.ucas.ac.uk

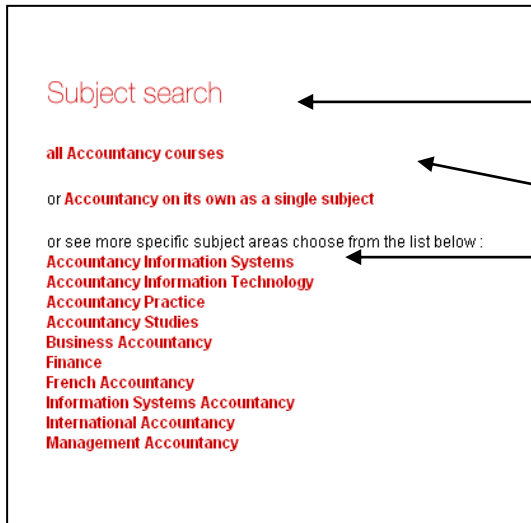

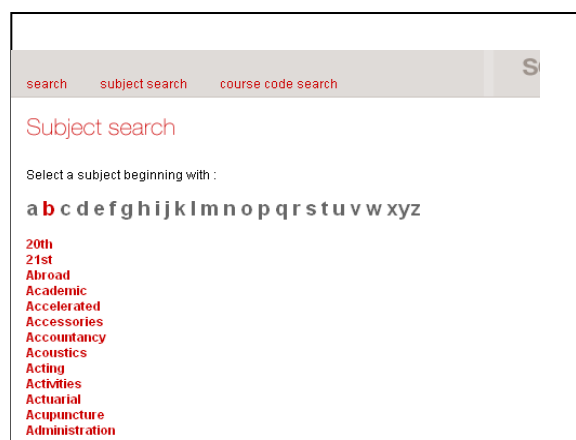

When the UCAS home page appears click on Course Search

This will allow you to then Search for Courses You should then choose to Search by Subject – thinking about what areas are of interest to you

Subject areas are then listed in Alphabetical order – simply click on the appropriate letter and locate the subject area you want to find out more about

The subject area you choose will then ask you to specify further – for example in Accountancy you can choose:

To view all Accountancy Courses;

To see only Accountancy;

To see more specific courses containing Accountancy

By clicking on one of these options you will then be given a list of the exact courses available at the various Universities in the UK.

You should note that UCAS information on University Courses is updated on the website regularly and that the information given on this sheet is for example purposes only. Please log into UCAS for current information on courses available and entry requirements.

This section shows Accountancy courses at The University of Aberdeen. These courses are 4 or 5 years in length and are full time. The qualification gained will be an Honours Master of Arts Degree.

Choosing All Accountancy Courses gives 837 courses in total.

All courses are listed in alphabetical order of University. The list contains any courses which contain Accountancy – from being a part of a course to an entire course on its own.

You should then choose a University and click on the name of that course to show more details about it.

To find out more about the course you then need to click on the actual course name
